SALEM LUTHERAN

LET US RISE UP AND BUILD

Now is the right time to respond to God's goodness and rise up and build here at Salem, so that we can meet the needs of the people God has brought into our midst.

NEW PRESCHOOL BUILDING

Building a new preschool will create additional space for new students to enroll at Salem, allow for more opportunities for evangelism and discipleship, and free up much needed facility space that can be used for Bible Studies, Performing Arts practices, meetings, SEEDS counseling, and more.

STUDENT MINISTRY CENTER

Building a new Student Ministry Center will Fill an enormous gap in our current Youth Program by providing it a home, allow for real and consistent evangelism and discipleship to take place with both Salem students and students from our community, create a feeling of ownership amongst our Youth, and Solve the problem of current Salem students not wanting to "come back to their classrooms" for Youth Group Bible Studies & events.

CURRENT PRESCHOOL BUILDING

Repurposing and updating our current preschool will create additional space for our music and fine arts programs, instrumental band, drama, small groups, and resource & counseling opportunities. It will also create multi-use space for ministries during the day, evenings and weekends.

SANCTUARY CHAPEL

Updating this cornerstone reflects to our congregation, campus, and community that our legacy of connecting our community to Christ will continue for generations to come.

MY COMMITMENT

Prayerfully consider what God is calling you to do to help us realize our vision. Our hope is that everyone at Salem will come together and be fully engaged in Let Us Rise Up and Build.
